Commodore's Corner

October was a really fun and busy month starting with the PRAD Parade and Chili Cookoff. Princess Lilly really beamed and did the regal wave from Kate Wilson's beautiful convertible! (Thank you, Kate...and Craig, the car washer!) But, alas, the Commodore's chili was an also-ran! The Volunteer Party was a great tribute to our volunteer bartenders, paid for by their tips throughout the year. Our silver-tongued Rear Commodore Stanton was an outstanding emcee, recognizing our many volunteers who keep us fed and hydrated and keep the club beautiful and functioning well. And once again the great rockabilly band *4 on the Floor with Overdrive* kept us dancing late into the night. Then Anissa Hutchins' Morocco Night was a "grand slam home run!" With lots of help from husband Mike and the well-dressed Moroccan troupe of the Kings, Larsens, Okays and Shepherds, plus a beautiful and energetic belly dancer, the team regaled us with authentic, delicious food and great entertainment. Finally, the Commodore's "I Like Beer" cupcakes were another also-ran as the men beat out the ladies for the most desserts in the Bakeoff!

Sadly, we had to say goodbye to long-time active member Jean Murray who passed peacefully in October. Our hearts go out to Ray and their children and grandchildren. The hardest part of being Commodore is having to send out condolences for our beloved members or their close family...13 this year. Please keep them all in your prayers.

Vice Commodore's Corner

October 20 saw one of the most exciting and memorable evenings at this club in a long time – the Casablanca Night featuring Moroccan cuisine, spear-headed by the Rear Commodore Anissa Hutchins-Stanton. The belly dancer was just icing on the cake. The previous Saturday night also saw a memorable evening, our annual Volunteer party at which the Rear Commodore presided in honoring those members of the club who have steadfastly served our club in the past year as volunteers.

And on November 3, we will take part in one of the two most important club events of the year – the annual Commodore's Ball, this year honoring Commodore Mike Snapp and his Lady Carol. I hope everyone has signed up for this fun event and that you come out and enjoy with us a memorable evening. I've heard one or two complaints about the cost of the ball; however, one should keep in mind that the ticket is only five dollars over last year's price, despite the 30% increase in food costs. Thanks to all the volunteers who continue to assist us in pulling off this event successfully year-after-year. Special thanks go to Bruce Dickinson, Mary Gott, Diane Ferguson, Judy Okay, Nancy McCabe, and Sue Stevenson.

Vice Commodore's Corner

(Cont'd.)

I encourage you all to continue to patronize the club, as only that will continue to keep the club on a strong financial footing.

I look forward to continuing to work with the present bridge and BOG in ensuring a successful end to 2019.

Rear Commodore's Corner

Winter is fast approaching so get ready. October was another great month at SIYC. We Hosted nine dinner events including a great Taco night attended by 100 + Members, and a Member event, "An Evening in Casablanca" which by all standards was knockout. Thank you to everyone who made it so special. The Volunteer party was great fun and a few of the top winners that night were: For Most times bartending, 1st place went to Bill Brier with 18; and 2nd place went to our Commodore Mike Snapp with 10. The most in sales went to 1st place Kat Tyrrell & Jerry Budnick with \$3909.00; and 2nd place went to Commodore and First lady Mike & Carol Snapp with \$ 3300.00 in sales. P/C Bill Glascock received The-Lowest-In-Any-One-Night with \$3.25. LOL! Thanks to all who volunteer their time making SIYC the Best of the Best. See you in November at SIYC.

Just when Rear Commodore Mike thought that there couldn't possibly be anyone left who hadn't looked over his shoulder

Fleet Captain's Corner

Our 2019 cruise calendar is already shaping up with cruises scheduled to Knapps Narrows, Wicomico, Cruise to SIYC the Poker Run and a new cruise to Cambridge. The 2019 schedule will be posted in January and I'm sure you'll see our usual favorites along with a new one or two.

Pier activity has picked up considerably. We had transients from the Corinthian Yacht Club visit us in Mid-October, Oct 12-14. They were really surprised at the active cruise schedule we had. Some had thought we were mostly a social club and really didn't do much else. In my absence, Kim Gildea reviewed our schedule with them and Doug Smith made sure they got in OK. We've seen many snowbirds passing through this month as they make their way south as well as a number of local YC members stopping by on their last cruise of 2018.

Fleet Captain's Corner

(Cont'd.)

Let me take a moment to thank Dennis Chandler for really being big help this Fall in my absence. Also thanks goes out to Doug Smith who filled in despite a busy work schedule when Dennis wasn't available. Thank you both for a job well done!

SPECIAL THOUGHTS

The Bridge, Board of Governors, and General Membership would like to extend our condolences to Ray Murray and his family for their loss of Jean. We extend get well wishes and special thoughts to Trish Tuck, Cindy MacArthur and Rex Miller. And, we extend congratulations to Joe and Mary Lynn Stone on the birth of their grandson. Also, congratulations to Bruce and Ginger Dickinson on the birth of their grandson, Easton.

Brain Teaser : I am a solitary word, 5 letters long. Strike my first letter and I am still the same. Strike my next letter and yet I am still the same. What word am I ?

Answer will be in next months Solomon Sez.

Last month's WINNER was Kathy Nash.

The question was: You're the pilot of an airplane that travels from New York to Chicago - a distance of 300 miles. The airplane travels at 200 mph and makes one stop for 30 minutes. What is the pilot's name?

The Answer is: Their name

Fleet Surgeon's Corner

Be Careful!!!!!!!

We have heard those words at every stage of our lives from mothers, fathers, friends and family. No matter how many times we have heard them they certainly merit repeating especially at this time in our lives.

One couple in our club made an agreement that neither one would step onto a ladder or chair to reach something without the other being there. Most of us have already gone through our house to remove things, like throw-rugs, that we could trip over, and put hand rails in bathroom tubs. (By the way, if you haven't, please do.) Walking is the best exercise but consider a walking stick or hiking poles and walk with a friend. Look where you are going and be aware of your surroundings.

Past Commodore Alva Windham shared this additional advice:

Always sit when putting on pants, under and over ones.

When walking the dog, keep them close. Step on the leash when picking up after them.

Eliminate problems when you first see them. Don't wait until you trip over the books, pick them up.

Always hold onto hand rails on stairs or escalators. It helps you even if someone behind you falls.

Stop what you are doing when you are looking in your purse or retrieving something from a pocket.

As soon as you see a WALK sign, go. Don't go when it is blinking.

Don't run to catch a bus, a grand child, or a dog. It is too easy to fall.

Beware of step ladders. Always hold on and have a buddy there.

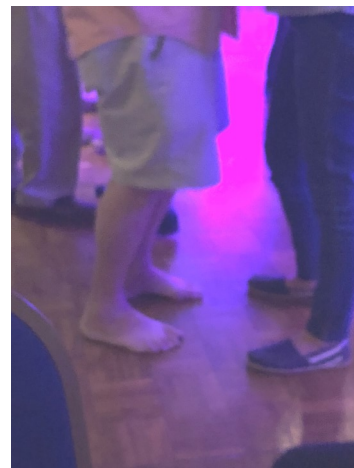

Don't even think about stepping over a hedge, a box, a low hanging rope or a fence. You will likely fall.

When you are feeling lonely or down call a friend or head down to SYIC.

Be mindful of your every action, I know, easier said than done. And to one particular member, don't have your hands full when going up or down stairs. Be careful! We all care about you, Emalie.

SAT • NOV 10 • 2018

Dinner 7:00p Show 7:30p

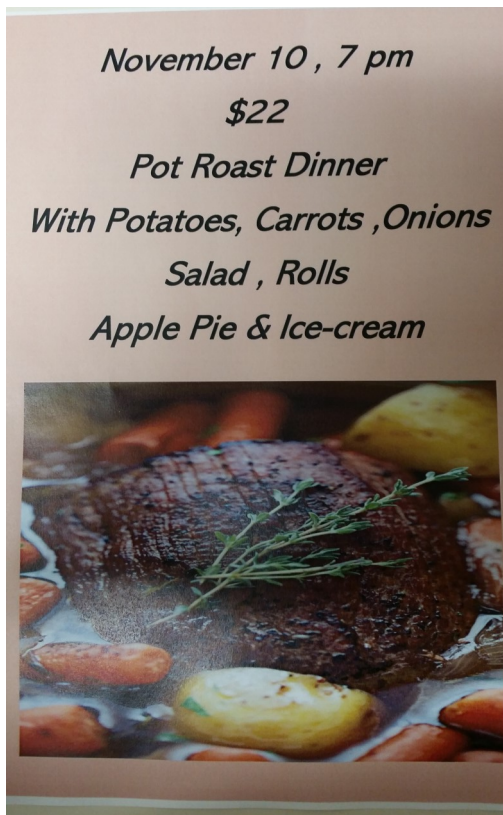

Join songstress, **Jennifer Cooper**, and guitarist, **Carl Reichelt**, for an evening of favorite songs and heartfelt stories of the WWII era.

When Jennifer's grandfather, Joseph Wynn, set sail to the Pacific Theater on the USS Medusa in 1944, he embarked not only on a military mission, but on a vow to faithfully write letters to his wife back home.

Beatrice Wynn, pregnant and caring for their 13month old daughter, waited anxiously for word from her beloved husband, and returned his affections with love, devotion, and news from the home-front.

Take a musical ride on this "Sentimental Journey" as Jennifer shares photographs and excerpts of these authentic, universal sentiments from their letters, and carefully weaves them amid a touching program of the most cherished songs of the Greatest Generation.

SPOILER ALERT

I don't generally tout the personal 'non Club related' accomplishments of our members' offspring. So, if your child wins the soapbox derby; or, your grandchild nails the regional spelling bee; you probably won't see it in Solomon Sez. But, this one is just too rare an achievement to omit. I'm sure you will agree.

After more than 14 hours of swimming through strong winds, currents and heavy seas of the English Channel, **Jimmy Loreto USNA '95** swam ashore to the beaches of France as the sun set on the evening of 22 July 2018. Greeted by friends and family, his English Channel crossing accomplishment was the final leg in the endurance goal that he set many years ago. The celebration of the successful English Channel swim also included the added bonus of Loreto becoming the 188th person to achieve the "Triple Crown" of open water swimming.

Over the last three years, he successfully completed the following three marathon swims to achieve this distinction:

Manhattan Island Marathon Swim (28.5 miles), completed on 1 October 2016
Catalina Island Channel Swim (20.2 miles), completed on 24-25 July 2017
English Channel Swim (20.9 miles), completed on 22 July 2018

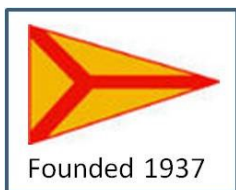

Loreto was inspired to train in the sport of open water swimming after becoming involved with a group of Naval Academy alumni—and one of three official shared interest groups of the Alumni Association—known as "Run to Honor." Founded in 2007 after the combat losses of several members of the Class of 1995, Run to Honor sought to honor all heroes listed in Memorial Hall and support the families of Naval Academy fallen.
